

Dr Rothenberg – Rocky Mountain Pediatric Surgery

PUBLICATIONS AND PRESENTATIONS:

Experimental and Clinical Research Activities (UCHSC)/Baylor

1. Rothenberg SS, (principal investigator) Moore EE, Marx JA: Selective Management of Blunt Abdominal Trauma in the Pediatric Patient.
2. Rothenberg SS, (principal investigator) Lilly JR, Schroter GJP: Diagnosis and Treatment of Cholangitis.
3. Rothenberg SS, (principal investigator) Hall RJ, Lilly JR: YAG Laser Therapy of Endobronchial Lesions.
4. Stewart BA, Rothenberg SS, Schroter GJP: Ciprofloxacin for the Treatment of Cholangitis.
5. Rothenberg SS, (co-investigator) Kay M, Bailey P, Pokorny WJ, Woo S: Hepatocyte Transplantation in Dogs.

Lectures - University of Colorado School of Medicine

1. Rothenberg SS: "Penetrating Abdominal Wounds." Surgical Grand Rounds, University of Colorado School of Medicine.
2. Rothenberg SS: "Differential Diagnosis of Splenomegaly." Joint Surgical/Gastroenterology Conference, University of Colorado School of Medicine. Denver, Colorado. August, 1985.
3. Rothenberg SS: "Tracheoesophageal Fistula." Pediatric Surgery Grand Rounds, University of Colorado School of Medicine. Denver, Colorado. December, 1985.
4. Rothenberg SS: "Pediatric Neoplasms "The use of Adjuvant Chemotherapy." Surgical Grand Rounds, University of Colorado School of Medicine. Denver, Colorado. February, 1986.
5. Rothenberg SS: "The Baby Doe Amendment, Why?" Surgical Grand Rounds, University of Colorado School of Medicine. Denver, Colorado. September, 1986.
6. Rothenberg SS: "Foreign Medical Graduates-Their Impact on the US Health Care System." Surgical Grand Rounds, University of Colorado School of Medicine. Denver, Colorado. December, 1987.
7. Rothenberg SS: "Iatrogenic Esophageal Perforations in the Neonate." Pediatric Surgical Grand Rounds, University of Colorado School of Medicine. Denver, Colorado. August, 1987.
8. Rothenberg SS: "Surgical Treatment of Wilms Tumor." Pediatric Surgical Grand Rounds, University of Colorado School of Medicine. Denver, Colorado. September, 1987.
9. Rothenberg SS: "Biliary Atresia Registry." Pediatric Clinical Research Center Poster Session, NIH, University of Colorado School of Medicine. Denver, Colorado. October, 1987.
10. Rothenberg SS: "Angioplasty vs Bypass Surgery in Peripheral Vascular Lesions." Surgical Grand Rounds, University of Colorado School of Medicine. Denver, Colorado. September, 1988.

Lectures - Baylor College of Medicine

1. Rothenberg SS: "Patent Ductus Arteriosus." Pediatric Surgery Basic Science Course, Baylor College of Medicine. Houston, Texas. September 4, 1990.
2. Rothenberg SS: "Congenital Diaphragmatic Hernia and ECMO." Pediatric Surgery Basic Science Course, Baylor College of Medicine. Houston, Texas. January 8, 1991.
3. Rothenberg SS: "Burns." Pediatric Surgery Basic Science Course, Baylor College of

Medicine. Houston, Texas. April 30, 1991.

4. Rothenberg SS: "The Surgical Management of Persistent Cloaca." Urology Grand Rounds, Baylor College of Medicine. Houston, Texas. August 1991.
5. Rothenberg SS: "Congenital Diaphragmatic Hernia." Pediatric Surgery Basic Science Lectures, Baylor College of Medicine. Houston, Texas. January 14, 1992.
6. Rothenberg SS: "Necrotizing Enterocolitis." Pediatric Surgery Basic Science Lectures, Baylor College of Medicine. Houston, Texas. February 25, 1992.

National and International Presentations

1. Rothenberg SS: "Management of Penetrating Abdominal Trauma." Horizons in Surgery. Breckenridge, Colorado. March, 1986.
2. Rothenberg SS: "Selective Management of Blunt Abdominal Trauma in Children-The Triage Role of Peritoneal Lavage." Western Surgical Trauma Association Annual Meeting. Jackson Hole, Wyoming. March, 1987.
3. Rothenberg SS: "The Use of Interlipids in TPN." Horizons in Surgery. Winter Park, Colorado. March, 1987.
4. Rothenberg SS: "Selective Management in Pediatric Blunt Abdominal Trauma." Eighth Annual Pediatric Surgical Residents Conference. Toronto, Ontario, Canada. September, 1987.
5. Rothenberg SS: "Diagnostic Peritoneal Lavage in Pediatric Blunt Abdominal Trauma." The National Conference on Pediatric Trauma. Boston, Massachusetts. October, 1987.
6. Rothenberg SS: "Splenorraphy vs Splenectomy." Horizons in Surgery. Winter Park, Colorado. February, 1988.
7. Rothenberg SS: "Cholangitis After the Kasai Operation for Biliary Atresia." American Academy of Pediatrics, Surgical Section. San Francisco, California. October, 1988.
8. Rothenberg SS: "Endoscopic YAG Laser Ablation of Tracheobronchial Stenosis." Ninth Annual Residents Conference for Pediatric Surgery. Boston, Massachusetts. November, 1988.
9. Rothenberg SS: "Emergency Department Thoracotomy in Children." Western Surgical Trauma Association Meeting. Salt Lake City, Utah. February, 1989.
10. Rothenberg SS: "Angioplasty vs Bypass Surgery in Peripheral Vascular Lesions." Horizons in Surgery. Winter Park, Colorado. March, 1989.
11. Rothenberg SS: "Adaptation to Stress and Anxiety Associated with Resident Experience." Annual Meeting of the Association for Surgical Education. Tampa Bay, Florida. April, 1989.
12. Rothenberg SS: "Ischemia Reperfusion Injury Following Coronary Artery Bypass Grafting: The Pathophysiology and Clinical Implications." Northwest Regional Meeting of the British Society of Thoracic Surgeons. Liverpool, England. March, 1990.
13. Rothenberg SS: "The Surgical Management of Necrotizing Enterocolitis: The Role of Primary Anastomosis." Eleventh Annual Pediatric Surgical Residents Conference. Chicago, Illinois. November 3, 1990.
14. Rothenberg SS: "Experience with a Total Muscle Sparing Approach for Thoracotomies in Neonates, Infants and Children." South Texas Chapter-American College of Surgeons. Galveston, Texas. February 15, 1991.
15. Rothenberg SS: "The Surgical Management of Necrotizing Enterocolitis and The Role of Primary Repair." Thirtyeighth Annual Meeting of the British Association of Pediatric Surgeons. Budapest, Hungary. July, 1991.
16. Rothenberg SS: "Management of Penetrating Neck Injuries in Children." Canadian Association of Pediatric Surgery. Quebec City, Canada. September, 1991.
17. Rothenberg SS: "Experience with a Total Muscle Sparing Approach for Thoracotomies in Neonates, Infants and Children." American Academy of Pediatrics, Surgical Section. New Orleans, Louisiana. October, 1991.

18. Rothenberg SS: "Inguinal Hernias-Diagnosis and Treatment." Texas Surgical Society. Houston, Texas. October, 1991.
19. Rothenberg SS, Pokorny WJ, Itani K, Brandt ML, Harberg FJ: "The Surgical Management of Necrotizing Enterocolitis and The Role of Primary Repair." South Texas Chapter of the American college of Surgeons. San Antonio, Texas. February, 1992.
20. Rothenberg SS, Brandt ML, Toombs B, Pokorny WJ: "Diagnosis and Treatment of a Rare Case of Congenital Arterioportal Fistula." Poster Exhibit, American Pediatric Surgical Association. Colorado Springs, Colorado. May, 1992.
21. Rothenberg SS, Pokorny WJ: "The Use of Argon Beam Ablation and Sclerotherapy in the Treatment of a Case of Life Threatening Total Abdominal Lymphangiomas." American Pediatric Surgical Association. Hilton Head, South Carolina. May, 1993.
22. Rothenberg SS, Chang JHT: "Laparoscopic Nissen Fundoplication and Percutaneous G-Tube Placement for the Management of GER: A New Technique in Children." Video Presentation. APSA-Hilton Head, South Carolina. May, 1993.
23. Rothenberg SS, Allshouse M, Holland R, Karrer F: "Thoracoscopic Resection of an Esophageal Duplication Cyst." Video Presentation, American College of Surgeons. San Francisco, California. October, 1993.
24. Rothenberg SS: "Laparoscopic Nissen Fundoplication and Gastrostomy Tubes in Children." Society of American Gastrointestinal/Endoscopic Surgeons. Nashville, Tennessee. April 1994.
25. Rothenberg SS: "Thoracoscopic Closure of Patent Ductus Arteriosus." Colorado Chapter, American College of Surgeons. Colorado Springs, Colorado. May, 1994.
26. Rothenberg SS: "Thoracoscopic Decortication for the Management of Empyemas in Children. American Thoracic Society. Boston, Massachusetts. May, 1994.
27. Rothenberg SS: "Diagnostic and Therapeutic Thoracoscopy in Infants and Children, Poster Exhibit, American Thoracic Society. Boston, Massachusetts. May, 1994.
28. Rothenberg SS: "Thoracoscopic Closure of Patent Ductus Arteriosus, A Less Traumatic and More Cost-Effective Technique." American Academy of Pediatrics, Surgical Section. Dallas, Texas. October, 1994.
29. Rothenberg SS: "Pediatric Video Assisted Thoracic Surgery." IV Annual Rocky Mountain Consortium Advanced Laparoscopy Course. Vail, Colorado. February, 1995.
30. Rothenberg SS: "Laparoscopic Nissen Fundoplication In Infants and Children." IV Annual World Congress of Endosurgery in Children. Orlando, Florida. May, 1995.
31. Rothenberg SS: "Laparoscopic Splenectomy in Children Using the Harmonic Scalpel." IV Annual World Congress of Endosurgery in Children. Orlando, Florida. May, 1995.
32. Rothenberg SS: "Thoracoscopic Closure of Patent Ductus Arteriosus in Infants and Children." IV Annual World Congress of Endosurgery in Children. Orlando, Florida. May, 1995.
33. Rothenberg SS, Allshouse M: "Thoracoscopic Excision of an Esophageal Duplication Cyst." Video Presentation, IV Annual World Congress of Endosurgery in Children. Orlando, Florida. May, 1995.
34. Allshouse M, Rothenberg SS: "A New Technique for Thoracoscopic Lung Biopsy in Infants." IV Annual World Congress of Endosurgery in Children. Orlando, Florida. May, 1995.
35. Sartorelli K, Rothenberg SS: "Thoracoscopic Repair of Hiatal Hernia Following Fundoplication." IV Annual World Congress of Endosurgery in Children. Orlando, Florida. May, 1995.
36. Rothenberg SS: "Laparoscopic Excision of a Giant Ovarian Cyst in a 2kg Pre-Term Infant." IV Annual World Congress of Endosurgery in Children. Orlando, Florida. May, 1995.
37. Rothenberg SS: "The Safety and Efficiency of Thoracoscopic Lung Biopsy for Diagnosis and Treatment in Infants and Children." American Association of Pediatric Surgeons. Boca Raton, Florida. May, 1995.
38. Rothenberg SS: "Thoracoscopy in Children." Sixth Annual Congress of The Japanese Thoracic and Pediatric Surgeons. Tokyo, Japan. Oct, 1995. Invited Lecture.

39. Rothenberg SS: "Thoracoscopic Decortication in Children." SAGES Fifth World Congress of Endoscopic Surgery. Philadelphia, Pennsylvania. March, 1996.
40. Rothenberg SS: "Update on Pediatric Endoscopic Surgery." Rocky Mountain Advanced Surgical Laparoscopy Symposium. Vail, Colorado. April, 1996. Invited Lecture.
41. Rothenberg SS: "Thoracoscopic Heller's Myotomy for Achalasia in Children." APSA 27th Annual Meeting. San Diego, California. May, 1996.
42. Rothenberg SS: "New Advances in Endosurgery in Infants and Children". V International Congress for Endosurgery in Children. Vancouver, British Columbia. May, 1996. Invited Lecture.
43. Rothenberg SS: "Laparoscopic Ladd's Procedure." V International Congress for Endosurgery in Children. Vancouver, British Columbia. May, 1996.
44. Rothenberg SS: "Laparoscopic Pyloromyotomy, The Slice and Pull Technique." V International Congress for Endosurgery in Children. Vancouver, British Columbia. May, 1996.
45. Rothenberg SS: "The Use of Radically Expandable Laparoscopic Access Devices in Pediatric Patients". V International Congress for Endosurgery in Children. Vancouver, British Columbia. May, 1996.
46. Rothenberg SS: "Laparoscopic Pull-through Procedure for the Treatment of Hirschsprung's Disease in Infants and Children Using the Harmonic Scalpel." IV International Congress of EAES. Trondheim, Norway. June, 1996.
47. Rothenberg SS: "Minimally Invasive Surgery in Infants Under 5 Kg." BAPS 43rd Annual Meeting. Jersey, Channel Islands. July, 1996.
48. Rothenberg SS: "Pediatric Blunt Abdominal Trauma." 12th Annual Colorado Trauma Symposium. Breckenridge, Colorado. August, 1996. Invited Lecture.
49. Rothenberg SS: "Experience with Laparoscopic Fundoplication in Infants and Children Less Than 10Kg." SAGES. San Diego, California. March, 1997.
50. Rothenberg SS: "Laparoscopic Fundoplication to Enhance Pulmonary Function in Patients with Severe Reactive Airway Disease and GERD." SAGES. San Diego, California. March, 1997.
51. Rothenberg SS: "Experience with Two Hundred & Twenty Consecutive Laparoscopic Nissen Fundoplications in Infants and Children." APSA, 28th Annual Meeting. May, 1997.
52. Rothenberg SS, Bass C: "Laparoscopic Ladd's Procedure in Infants with Malrotation without Volvulus." APSA, 28th Annual Meeting. May, 1997.
53. Rothenberg SS: "Laparoscopic Fundoplication in the Pediatric Population." VI International Congress for Endosurgery in Children. Invited lecture. Tokyo, Japan. May, 1996.
54. Rothenberg SS: "Laparoscopic Splenectomy in Children. VI International Congress for Endosurgery in Children. Tokyo, Japan. May, 1997.
55. Rothenberg SS: "Thoracoscopic Heller's Myotomy for Achalasia in Children." VI International Congress for Endosurgery in Children. Tokyo, Japan. May, 1997.
56. Rothenberg SS: "Gastroesophageal Reflux Disease and Asthma." Tokyo Women's Medical College. Invited Lecture. May, 1997.
57. Rothenberg SS: "Laparoscopic Splenectomy for Idiopathic Thrombocytopenic Purpura; The New Gold Standard." BAPS 44th Annual Meeting. Istanbul, Turkey. July, 1997.
58. Rothenberg SS: "Thoracoscopic Anterior Spinal Procedures in Children." American Academy of Pediatrics Surgical Section. New Orleans, Louisiana. Nov, 1997.
59. Rothenberg SS: "Mini-laparoscopy in the Pediatric Patient." SAGES: Seattle, Washington. March, 1998. Invited lecture.
60. Rothenberg SS: "Experience with Minimally Invasive Surgery in Infants and Neonates Less Than 10Kg." Southwest Surgical Congress. San Antonio, Texas. April, 1998.
61. Rothenberg SS: "Tips and Techniques in Pediatric Endosurgery." APSA. Hilton Head, South Carolina. May, 1998. Invited lecture.
62. Rothenberg SS: "Laparoscopic Management of Malrotation and Intussusception in

- Children". APSA. Hilton Head, South Carolina. May, 1998. Invited lecture.
63. Rothenberg SS: "Laparoscopic Fundoplication and Splenectomy in Children". IPEG: Meet the Experts Seminar. Hong Kong, China. June, 1998.
 64. Rothenberg SS: "Minimally Invasive Surgery in Neonates." Annual Congress, Rocky Mountain Section. American College of Surgeons. Breckenridge, Colorado. July, 1998.
 65. Rothenberg SS: "Minimally Invasive Surgery in Infants and Children." Sixth Annual Central American Congress of Pediatrics and Pediatric Surgery. Panama City, Panama. November, 1998. Invited Guest Speaker.
 66. Rothenberg SS: "Laparoscopic Surgery in Infants." SAGES. San Antonio, Texas. March, 1998. Invited Lecture.
 67. Rothenberg SS: "Primary Laparoscopic Gastrostomy Button, A Simpler and Safer Technique. SAGES. San Antonio, Texas. March, 1998.
 68. Rothenberg SS: "Thoracosopic Thymectomy for Myesthenia Gravis in Children." IPEG. Berlin, Germany. April, 1998.
 69. Rothenberg SS: "Thoracosopic Resection of Mediastinal Masses in Infants and Children." IPEG. Berlin, Germany. April, 1998.
 70. Rothenberg SS: "Laparoscopic Forgut Surgery in Children, The State of the Art." IPEG. Berlin, Germany. April, 1998. Invited Lecture.
 71. Rothenberg SS: "Experience with 400 Laparoscopic Nissen Fundoplications in Infants and Children. 3rd European Congress of Pediatric Surgery. Brussels, Belgium. May, 1999.
 72. Rothenberg SS: "Thoracosopic Lung Resection in Children." APSA. Palm Springs, California. May, 1999.
 73. Rothenberg SS: "Minimally Invasive Surgery in Infants." The Surgical Treatment of Anorectal Malformations Workshop. Long Island, NY. June, 1999. Invited Lecture.
 74. Rothenberg SS: "Thoracoscopy in Infants and Children." Third Annual Congress of Japanese Pediatric Endoscopic Surgeons. Tokyo, Japan. Sept., 1999. Invited Lecture.
 75. Rothenberg SS: "Laparoscopic Reduction of an Ileo-colic Intussuception." Cine Clinic, ACS. October, 1999.
 76. Rothenberg SS: "State of the Art in Pediatric Minimally Invasive Surgery." 35th Anniversary Congress-Venezuelian Pediatric Surgeons. Maricao, Venezuela. February, 2000. Invited Lecture.
 77. Rothenberg SS: "Laparoscopic Management of Intestinal Strictures from Chron's Disease." IPEG. Atlanta, Georgia. March, 2000.
 78. Rothenberg SS: "Experience with a New Energy Source for Tissue Sealing in Minimally Invasive Surgery in Children." IPEG. Atlanta, Georgia. March, 2000.
 79. Rothenberg SS, Patrick D: "Laparoscopic Plication of the Diaphragm in Infants." IPEG. Atlanta, Georgia. March, 2000.
 80. Rothenberg SS: "Thoracosopic Repair of a Tracheo-esophageal Fistula in a Newborn." IPEG. Atlanta, Georgia. March, 2000.
 81. Rothenberg SS: "Mini Laparoscopic Instruments in the Adolescent, Lessons Learned." SAGES. Atlanta, Georgia. March, 2000.
 82. Rothenberg SS: "Thoracosopic Management of Esophageal Disease in Children." 3rd National Congress of the Italian Society of Paediatric Videosurgery. Caltanissetta, Italy. April, 2000. Invited Lecture.
 83. Rothenberg SS: "The State of the Art in Pediatric Endosurgery." Royal College of Surgeons, Australia. Melbourne, Australia. May, 2000. Invited Lecture.
 84. Rothenberg SS: "Endoscopic Surgery in Neonates and Infants." 8th International Congress EAES. Nice, France. June, 2000. Invited Lecture.
 85. Rothenberg SS: "Technological Advances in Pediatric Endosurgery." 4th Annual Congress of Computers and Robotics in the Operating Room. Santa Barbara, California. July, 2000. Invited Lecture.
 86. Rothenberg SS: "Minimally Invasive Surgery in Infants and Children." 2nd Annual Workshop in Pediatric Surgery. Tokyo, Japan. September, 2000. Invited Lecture.

87. Rothenberg SS: "Advances in Thoracoscopic Surgery in Children and Laparoscopic Surgery in Neonates." Annual Congress of Polish Pediatric Surgeons. Gdansk, Poland. October, 2000. Invited Lecture.
88. Rothenberg SS: "Management of Gastroesophageal Reflux Disease in Children." 10th Annual Congress of Polish Association of Pediatric Surgeons. Gdansk, Poland. October, 2000. Invited Lecture.
89. Rothenberg SS: "Laparoscopic Endo-rectal Pull-through Procedure for Hirschsprung's Disease." ACS 86th Annual Congress. Chicago, Illinois. October, 2000. Invited Lecture.
90. Rothenberg SS: "Thoracoscopic Repair of a Tracheoesophageal Fistula in a Newborn." Cine Clinic. ACS 86th Annual Congress. Chicago, Illinois. October, 2000.
91. Partrick DA, Rothenberg SS: "Thoracoscopic Resection of Mediastinal Masses in Infants and Children." Surgical Section AAP. Chicago, Illinois. October, 2000.
92. Rothenberg SS: "Minimally Invasive Surgery in Infants and Children." 34th Annual Congress of Argentinian Pediatric Surgeons. Buenos Aires, Argentina. November, 2000. Guest Lecturer.
93. Rothenberg SS: "Use of a Radically Expandable Access Device for Thoracoscopy in Infants and Children." Society of Laparoendoscopic Surgeons. Orlando, Florida. December, 2000.
94. Rothenberg SS: "Minimally Invasive Surgery in Children and Update of the Treatment of Gastroesophageal Reflux Disease in Children." Seminar in Practical Pediatrics, AAP. Copper Mountain, Colorado. January, 2001. Invited Lecture.
95. Rothenberg SS: "Thoracoscopy in Infancy." 10th Annual Congress IPEG. Brisbane, Australia. March 2001. Invited Lecturer.
96. Rothenberg SS: "Knot Tying and Anastomosis." 10th Annual Congress IPEG. Brisbane, Australia. March 2001. Invited Lecturer.
97. Rothenberg SS: "The Use of Thoracoscopy in the Evaluation and Treatment of Pediatric Oncology Patients." IPEG. Brisbane, Australia. March 2001.
98. Rothenberg SS: "Telementoring." IPEG. Brisbane, Australia. March 2001.
99. Rothenberg SS: "Minimally Invasive Surgery for Achalsia in Children." Australia Association of Pediatric Surgeons Annual Meeting. Brisbane, Australia. March 2001. Invited Lecturer.
100. Rothenberg SS: "Surgical Management of Esophageal Disorders in Children." Australian Association of Pediatric Surgeons Annual Congress. Brisbane, Australia. March 2001.
101. Rothenberg SS: "Laparoscopy for Inflammatory Bowel Disease." Pitfalls and Perils in Pediatric Laparoscopy. SAGES. St. Louis, Missouri. April 2001. Invited Lecturer.
102. Rothenberg SS: "Thoracoscopy in Infants and Children." "Minimally Invasive Surgery in Neonates." Fifth Annual Congress of the Brazilian Society of Video Surgery. Rio de Janeiro, Brazil. May 2001. Invited Guest Lecturer.
103. Rothenberg SS: "Thoracoscopic Repair of Tracheo-esophageal Fistula in Neonates." APSA. Naples, Florida. May 2001.
104. Rothenberg SS: "Minimally Invasive Surgery in Neonates: A Revolution in Surgical Approach." AAP: Section on Perinatal Pediatrics. Keystone, Colorado. June 2001.
105. Rothenberg SS: "Thoracoscopic Surgery in Infants and Children". Society of Italian Videoscopic Surgeons. Bologna, Italy. October 2001. Invited Lecturer.
106. Rothenberg SS: "Laparoscopic Duodeno-duodenostomy for duodenal obstruction in Infants and Children." Surgical Section AAP. San Francisco, CA. October 2001.
107. Rothenberg SS: "Update on Pediatric Endoscopic Surgery". SLS Annual Congress. N.Y., N.Y. December 2001
108. Rothenberg SS: "Minimally Invasive Surgery in Neonates: The First Decades Experience." SAGES. N.Y., N.Y. March 2002
109. Rothenberg SS: "Advances in Minimally Invasive Surgery in The First Year Of Life." Invited Lecture. SAGES. N.Y., N.Y. March 2002

110. Rothenberg SS: "Thoracoscopic Lobectomy using the Ligasure Device." IPEG, Genoa, Italy April 2002
111. Rothenberg SS: "Update on Thoracoscopic Repair of Tracheo-esophageal Fistula in Infants." IPEG. Genoa, Italy April 2002. Invited Lecture.
112. Rothenberg SS: "Laparoscopic Surgery in Infants and Children." American Society of General Surgeons. San Diego, Ca. April 2002. Invited Lecture
113. Rothenberg SS: "Minimally Invasive Surgery in Infants and Children." Stryker Visiting Professor Lectureship. SUNY, Buffalo N.Y. April 2002
114. Rothenberg SS: "Lap Appy to Thoracoscopic TEF Repair, How we got there". Frank Guttman Visiting Professor Lectureship. Grand Rounds, McGill University. Montreal, Quebec. June 2002
115. Rothenberg SS. "Thoracoscopic Lobectomy in Infants and Children." BAPS, Cambridge, England. July 2002
116. Rothenberg SS. "Thoracoscopic Spine Surgery in Children." Western Orthopedic Association. Maui, Hawaii. August 2002. Invited Lecture
117. Rothenberg SS. "Thoracoscopic Surgery in Infants and Children, the State of The Art." BAPES, Oxford, England. September 2002. Invited Lecture
118. Rothenberg SS. "Surgical Treatment of Esophageal Atresia" Ipokrates Society. Munich, Germany. September 2002. Invited Lecture
119. Rothenberg SS. "Minimally Invasive Surgery in Infants and Children, New Approaches to Common Problems." American Academy of Pediatrics. Boston, Ma. October 2002. Invited Lecture
120. Rothenberg SS. "Minimally Invasive Surgery in Infants and Children" 18th Congress Asian Association of Pediatrics Surgeons. Singapore, October 2002. Invited Lecture
121. Rothenberg SS. "Thoracoscopic repair of tracheo-esophgeal fistula in infants" 18th Congress Asian Association of Pediatrics Surgeons. Singapore, October 2002. Invited Lecture
122. Rothenberg SS. "Laparoscopic repair of duodenal obstruction in infants and children" 18th Congress Asian Association of Pediatrics Surgeons. Singapore, October 2002. Invited Lecture
123. Rothenberg SS. "Thoracoscopic surgery in infants and children" Visiting Professor; Grand Rounds. Children's Hospital of Philadelphia. February 2003
124. Rothenberg SS. "Minimally invasive surgery in neonates; the first decades experience." IPEG, Los Angeles, Ca. March, 2003
125. Rothenberg SS. "Experience with thoracoscopic anterior spinal procedures in children." IPEG, Los Angeles, Ca. March, 2003
126. Rothenberg SS. "Thoracoscopic anatomic lobectomy of a left upper lobe congenital adenomatoid malformation." Invited video presentation. IPEG, Los Angeles, Ca. 2003
127. Rothenberg SS. "The pleural space, a surgeon's perspective.", Invited Lecture, American Academy of Chest Physicians, Phoenix, Az. March 2003
128. Rothenberg SS. "Prenatal decisions facing a pediatric chest surgeon". Invited Lecture, AACP, Phoenix, Az.
129. Rothenberg SS. "Lung Disease and VATs in the pediatric patient". Invited Lecture, AACP, Phoenix, Az
130. Rothenberg SS. "Minimally invasive surgery in infants and children; New approaches to common problems." Invited Lecture. Colorado Chapter AAP, Denver, Co. April, 2003
131. Rothenberg SS. "Thoracoscopy in Infants and Children. The state of the Art." Invited Stenning Lectureship. Pacific Association of Pediatric Surgeons. Sydney, Australia. May 2003
132. Rothenberg SS. "Thoracoscopy in Infants and Children" Invited Lecture. The American Thoracic Society. Seattle, Wa. May 2003
133. Rothenberg SS. "Thoracoscopic lung resections in children" Invited Lecture. Chilean Chapter of the American College of Surgeons. Santiago, Chile. May 2003

134. Rothenberg SS. "Minimally Invasive surgery in infants and children" 2 day lecture series. Visiting Professor. Chilean Chapter of the ACS. Santiago, Chile. May 2003
135. Rothenberg SS. "Thoracoscopic lung resection in neonates, is it feasible" Ipokrates Society. Nice, France. October 2003 Invited Speaker.
136. Rothenberg SS. "Laparoscopic Fundoplication in Infants", Ipokrates Society. Nice, France. October 2003. Invited Speaker.
137. Rothenberg SS. "Thoracoscopic Repair of a Tracheo-esophageal Fistula in a Newborn" ACS Cine Clinic. Chicago, Il. 2003 Invited Lecture.
138. Rothenberg SS. "Robotic surgery in Infants and children, the state of the art." Bologna, Italy. International Course on Pediatric Laparoscopic Surgery. November, 2003. Invited Speaker
139. Rothenberg SS. "New Advances in minimally invasive surgery in Infants and Children" Grand Rounds, Long Island Jewish Children's Hospital. Long Island, New York. March 2004
140. Rothenberg SS. "Lung Biopsy: What, Why, Where?" The Pediatric Interstitial Lung Disease Conference. Cincinnati, Ohio. March 2004 Invited Speaker.
141. Rothenberg SS. "Instruments for small people" SAGES. Denver, Colorado. April 2004
142. Rothenberg SS. "Laparoscopic Management of isolated ileal strictures in Crohn's disease." SAGES, Denver, Colorado. April 2004.
143. Rothenberg SS. "The First Decades Experience with Laparoscopic Fundoplication in Infants and Children." APSA. Jacksonville, Florida. May 2004
144. Rothenberg SS. "Robotic Surgery in children, where we are, where are we going?" 1st Int'l symposium on robotically-assisted pediatric surgery. Blank Children's Hospital. Des Moines, Iowa. April 2004

Special Committees and Activities

1. SAGES membership committee 1998-present
2. SAGES Program Committee 1998-present
3. SAGES Pediatric Committee Chairman 2000-present
4. SAGES Board of Governors - 2004
5. Organizing Committee: IV,V,VI,VII,VIII Annual World Congress of Endosurgery in Children 1995-2003
6. Director: Pediatric Program IV-VIII-Rocky Mountain Consortium. Advanced Laparoscopic Surgery Course. Vail, Colorado 1995-2003
7. Director: Advanced Laparoscopic Surgery Animal Lab. IV Annual World Congress of Endo Surgery in Children. Orlando, Florida 1995
8. Chairman: O.R. Advisory Committee 1998-present
9. Board of Directors: Kidsmart 1995-2002
10. Compensation Committee: Kidsmart 1995-2002
11. Vice President: International Pediatric Endosurgical Group 1996 - 1999
12. President: International Pediatric Endosurgical Group 1999-2000
13. Secretary: International Pediatric Endosurgical Group 2000-2003
14. IPEG Membership Committee President 1999-present
15. IPEG Treasurer 2000- present
16. IPEG Program Committee 1999-present
17. IPEG Development Committee President - 2001- present
18. President: Rocky Mountain Pediatric Sub-Specialty Association 2000-present
19. Associate Editor: "Pediatric Endosurgery and Innovative Techniques". 1997-present
20. Guest Faculty Co-Director: Advanced Minimally Invasive Workshop for Pediatric Surgery. University of California-San Francisco. July, October, December 1998. February-September 1999, July, October 2001, October 2003
21. Invited Faculty: Pediatric Surgery Residents course in Advanced Minimally Invasive Surgery. University of Miami. April, 1999, May 2001, April 2002, September 2003
22. Faculty: APSA Course: Advanced Minimally Invasive Workshop for Pediatric Surgery. 1998,1999,2001.
23. Program Director: IPEG IX Annual Congress. Atlanta, Georgia. 2000.
24. Invited Faculty: Pediatric Minimally Invasive Surgery Workshop. McMaster University, Hamilton, Ontario. April, 2000.
25. Invited Faculty: P.M.J.S. Workshop. Tokyo, Japan. 1999, 2000, 2001, 2002, 2003
26. Invited Faculty: Advanced Workshop in Pediatric Minimally Invasive Surgery. Melbourne, Australia. May, 2000.
27. APSA-Committee on Minimally Invasive Surgery. 2000-present
28. Invited Faculty: Advances in Pediatric Colo-rectal Surgery; Laproscopic Workshop. Brisbane, Australia. March 2001.
29. Invited Faculty: Post-Congress Workshop Laparoscopic Surgery. Singapore, October 2002
30. Pediatric Bariatric Post-graduate Course Chair. SAGES annual meeting, Los Angeles, Ca. March 2003
31. Pediatric Lunch Coordinator. SAGES annual meeting, Denver, Co. April 2004

Textbooks

1. Co-Editor: Operative Endoscopy and Endoscopic Surgery in Infants and Children. Najmaldin, Rothenberg, Crabbe, Beasley. Arnold. London, UK. In Press.
2. Co-Editor: Endoscopic Surgery in Children. Bax, Georgeson, Valla, Rothenberg, Yeung. Springer-Verlag, Heidelberg, Germany. In Press

3. Co-Editor: Gastroesophageal Reflux in Infants and Children. Rothenberg, Montupet, Espisito. Springer-Verlag, Heidelberg, Germany. In Press

Visiting Foreign Guests and Fellows

1. Marcelo Barancheza-Buenos Aires
2. Chris Kimber-Australia
3. Klass Bax-Netherlands
4. Muri Auri-Japan
5. Gladys Cousins- Rio De Janero, Brazil
6. Masashi Kurobi- Tokyo, Japan
7. Darrell Cass-Baylor, Houston, Texas
8. John Dinsmore-Vancouver, Canada
9. Sean Marvens - Sheffield, England
10. Fawn Lewis - Chicago, Illinois
11. Mohamed - Cairo, Egypt
12. Sandra Kay - Montreal, Quebec
13. Grant Giesler _ Chicago, Illinois
14. Simon Kinney - Liverpool, England
15. Gordon MacKinlay - Scotland England
